PROFESSIONAL SUMMARY

PMO professional with 2+ years embedded in the MD's Office at CAMS - India's largest Mutual Fund RTA (~68% market share) - owning board-level reporting, C-suite governance, and high-stakes strategic projects across 22 business lines in Asset Management and Capital Markets. Proven across operating model design, cost-reduction programs, competitive intelligence, and quantitative analysis & concurrent dual-office execution at the most senior PMO level. Targeting a corporate strategy role where structured thinking and data-driven recommendations drive enterprise value creation.

PROFESSIONAL EXPERIENCE

COMPUTER AGE MANAGEMENT SERVICES (CAMS) | Deputy Project Manager – MD's Office | June 2024

– Present | Chennai

Special Mandate: CFO Office Setup (Concurrent with MD's Office)

- **Operating Model Design:** Designed operating model and governance framework for a CFO Office from zero - establishing cadence structures, managing 15 projects (revamping, automation, invoice controls), and deploying Zoho CRM for contract and invoice management; delivered a replicable PMO template within one quarter
- Maintained full MD's Office responsibilities throughout the 3-month mandate - executing dual executive-level workstreams concurrently, with no reduction in output quality or delivery cadence
- Handed over a self-sustaining CFO Office with 15 documented processes, active tooling, and an assigned successor - shifting CFO-level administration from ad-hoc to structured within one quarter

Governance & Strategic Operations

- **Revenue & Business Cadence (22 Lines / 8 Verticals):** Owns fortnightly performance reviews across 22 revenue lines and monthly business reviews across 8 verticals with MD and CXO stakeholders - analysing trends, tracking AMC prospects and SEBI In-Principle applications, and generating decision-ready insights to support leadership and client acquisition strategy
- **Board Reporting:** Authors quarterly board-level strategy decks and board notes for 5 Board of Directors - consolidating operational and revenue metrics across all business units into structured, data-driven presentations for C-suite review
- **Sales Incentive Management:** Holds end-to-end ownership of quarterly sales scheme design, eligibility verification, and payout approvals - presenting disbursements directly to CFO and CEO with full audit documentation maintained for compliance
- **Escalation Management:** Triage all MD-level escalations (~15/month, internal and external) - maintains live tracker, publishes weekly unresolved-task reports to leadership, and drives each to closure with average resolution TAT of [2–3 days]
- **Annual Strategy Meet:** Facilitates annual strategic planning sessions with CXO leadership and Business Strategy Teams (~25 members) - capturing ~30 -40 key decisions across 22 business lines, assigning execution ownership, and tracking follow-through to completion

Strategic Projects

- **Cost Reduction Program (4 Workstreams):** Led a 4-workstream cost-reduction program - spanning workforce capacity planning, Teeth-to-Tail ratio rebalancing, headcount optimization, and operational efficiency - applied quantitative analysis across 23 business units, scaled a new talent pipeline from zero, and delivered ~3.7% in annual cost savings while sustaining operational coverage
- **AIF Portfolio Management (10-Project Portfolio):** Serving as sole PMO for a 10-project AIF strategic workstream -spanning process automation, data accuracy, and client communications - coordinating cross-functional business and technology teams, reporting to MD, and driving full portfolio to closure within committed timeline [6 months]
- **PE Ratio Research (Sole Owner, 6 Months):** Conducted primary and secondary market research across 4 geographies (India, USA, China, Singapore) and 5 sectors (Banking, Capital Markets, Insurance, Asset Management) - benchmarked 10 companies per sector and geography, synthesizing findings into a ~45-page report with top 10 strategic recommendations presented directly to the MD
- **Competitive Intelligence:** Conducted a competitive intelligence program - tracking competitors across product offerings, board composition, earnings calls, and regulatory filings; published reports per quarter to inform client acquisition strategy and go-to-market positioning
- **Unclaimed Investor Funds Resolution:** Categorised root causes across 19 AMC portfolios (IMPS failures, KYC gaps, PAN mismatches) - coordinated validations with Ops and Risk teams and facilitated phased fund releases prioritised by amount criticality

Recognition

- Incentive Award + Written Citation from MD for outstanding execution quality - discretionary, not a standard performance rating
- Dual mandate (CFO Office + MD's Office) assigned at 12 months of tenure - reflects highest organisational trust conferred on any PMO at that stage

EDUCATION

MBA – PSG Institute of Management, Coimbatore | CGPA: 7.61 | 2022 – 2024
B.Com (Accounts & Management) – PSGR Krishnammal College for Women, Coimbatore | CGPA: 7.37 | 2019 – 2022
